Dan/ Henry – FYI, attached is the revised grant workplan for SFY18/19. As you may already know, there is a response regarding the schedule for issuing the Order for Grumman-Bethpage. Pls see comment #21 on page 54 of 54. It reads as follows:

**[EPA] Comment 21**

**Grumman-Bethpage - DEC project manager relayed that issuing of an Order for Grumman Bethpage may not occur by 09-30-18. Please confirm.**

[DEC] Response 21

DEC continues to pursue a replacement of the expired permit for the Bethpage facility. The exact date when this will occur is difficult to predict. We will continue to project the September 2018 date with the knowledge that this may need to be changed depending on how well consent order negotiations proceed.

Regards,

-Carol-

**Subject:** Revised RCRA Subtitle C Grant No. D-96292418 Work Plan for period April 1, 2018 to March 31, 2019 -- Request for review

NYSDEC revised their draft 2018-2019 work plan based on EPA's comments as attached. The EPA Comments and the DEC responses may be found at the very end of the document.

Please review the DEC responses and relay whether there are items that need further clarification or additional issues that DEC should be made aware. If there are no substantial issues, the attached work plan shall be approved as final. Please provide any comments by August 1<sup>st</sup>, 2018.

Thanks,
